DETAILED ACTION

Allowable Subject Matter

Claims 1, 2, 4, 6 and 8-11 are allowed.

Reasons for Allowance

Claims 1, 2, 4, 6 and 8-11 are allowable because there is no prior art of record that either teaches or suggests an electro-optical device comprising a relationship of various elements as claimed with the specific allowable subject matter recited in claims 1 and 2:

the second light shielding film being divided into separate sections with the channel region of the second switching element as a boundary between the separate sections, the edges of the separate sections of the second light shielding film and the gate electrode overlapping with the each other in plan view by a distance of about 0.5 μ m.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
